

Kind Attention: Visa Applicants from High Commission of India, Accra, Ghana

From 26.01.2022, all visa applicants from Ghana are required to upload supporting documents at the time of filling-up visa application itself.

Please be informed that applicants will be **unable** to complete the visa application submission process without uploading the supporting documents.

Hard copies of both the visa application form as well as the supporting documents should be brought to the High Commission for completion of visa application process.
