**Dear Shri Rajaram,  
Greetings from FIEO!**

At the outset, I would like to compliment you for your sincere efforts in promoting bilateral trade and economic cooperation between India and Ghana.

As we all are aware that the current pandemic has restricted overseas travel leading to cancellation of some of the reputed international shows all across the globe. During such times amidst restrictions, as the world moves to a New Normal scenario, the need of an hour is to move ahead and look for the possibilities in both physical exhibitions & virtual shows to connect with overseas buyers and build long term business engagements.

Continuing our efforts in this direction, we are pleased to inform you that FIEO is organising participation in **Manufacturing Africa B2B Expo - Virtual** scheduled to be held from **1-3 February, 2022**. Focused sectors for the Expo are Power, Electronic & Software, Engineering, Renewable Energy, Electricals & Electronics, etc.

There will be around 25 quality Indian suppliers who will be participating in the Virtual show to explore trade and business opportunities with their counterparts from Africa and adjoining regions. I shall be grateful, if your office may kindly share the list of prominent buyers in the above categories as well as contact details of the leading chambers in Ghana with us so that we may send them the details.

It may further be informed that the event is scheduled to be inaugurated virtually at 1530 Hrs (IST) on 1<sup>st</sup> February, 2022. I shall be grateful if you kindly agree to attend the inaugural session and address the Indian and Global participants.

In case of any further details/information your good office may also contact FIEO official at [nishantkatyayan@fieo.org](mailto:nishantkatyayan@fieo.org) (WhatsApp: +91-8586848676)

I look forward to your kind presence and continued support.

Thanking you,

Yours sincerely,

  
Dr. Ajay Sahai
